Activity: Schedule VII–Based Corporate CSR Programme Analysis

==========

Course: CSR & Sustainability

Programme: MBA SEM IV

CCE Weightage: 50 Marks

Group Size: 2 Students

Objective of the Activity

This activity aims to enable students to:

- Understand practical implementation of CSR under Schedule VII of the Companies Act, 2013
- Critically analyze real corporate CSR programmes in terms of governance, budgeting, implementation, and impact
- Bridge the gap between theoretical CSR frameworks and corporate practice

Activity Description

Each group of two students shall select ONE corporate CSR programme implemented by an Indian company that is clearly aligned with any ONE activity listed under Schedule VII of the Companies Act, 2013.

Students are required to study, analyse, and document the selected corporate CSR programme and prepare a detailed analytical report of 15–20 pages, structured according to the CSR Policy agenda provided.

The study should be evidence-based, using:

- Annual reports
- CSR reports
- Sustainability/ESG disclosures
- Company websites
- Credible secondary sources

A class presentation based on the study is mandatory.

Selection Guidelines

- The CSR programme must be an actual, ongoing or completed initiative
- The company should be covered under CSR provisions of the Companies Act, 2013
- The CSR activity should explicitly map to Schedule VII
- Examples (indicative only):
  - Education initiatives by ITC, Tata Group, Infosys
